AgroKleen

LAUNDRY DETERGENTS

Full Line of Laundry Solutions

Good hygiene practices are important in every step of milk production. Udder health relies on healthy and clean teats, and those teats need to be wiped with clean towels. AgroChem laundry detergents will keep your towels clean and keep your mind at ease.

AgroKleen-L

Liquid laundry detergent that can be used in automated dispensing systems

AgroKleen-CP

Chlorinated laundry detergent powder that cleans, whitens and softens better than most high-end household detergents

AgroKleen-P

Chlorine free powdered laundry detergent

Kleen-All

All-purpose, liquid laundry detergent that can double as a hard-surface cleaning agent

KleenPak

Premeasured and packaged concentrated detergent in a 100% biodegradable water-soluble film that dissolves completely in water.
