

1% IODINE TEAT DIP AND SPRAY

WHAT IS FREE IODINE?

It is established that in iodine based teat dips, Free Iodine acts as the anti-microbial and is responsible for the efficacy of the dip. The more free iodine, the stronger the kill. In teat dips Our Smart Dips have more Free Iodine than comparable products.

Premium Protection, Economic Price

- **Fast-acting, efficient formula** is long-lasting and gentle
- **Our most economical** 1% iodine dip formula.
- **Formulated with IoPlex**, AgroChem's proprietary process that provides a steady, stable supply of free, available iodine.
- **Remains effective** during freeze-and-thaw cycles.
- **Quickly kills mastitis-causing pathogens.**
